PREPARE FOR YOUR VISIT

Some things to consider in preparation for your visit

What we can help you with:

- Kitchen remodel
- Bath remodel
- New construction
- Plumbing fixtures
- Bathroom vanities

Bath

Vanity, Sink, & Faucet :

- Desired vanity size
- Sink type – undermount/vessel/intergrated top/pedestal
- Faucet type – single-hole, 4” centerset, or 8” widespread
- Faucet finish – chrome, brushed nickel, polished nickel, oil-rubbed bronze, etc.

Shower:

- Shower area size (including ceiling height)
- Desired shower components (showerhead, rainhead, handshower, body sprays)
- Steam shower

Bathtub:

- Tub size & location of drain (while looking at it from outside the tub)
- Tub features (whirlpool, air, soaking)

Toilet:

- Rough-in dimensions (10”, 12”, 14”), height (ADA or standard), bowl size (elongated or round)

Additional Bath Options:

- Accessories (toilet paper holder, towel bar, towel ring, towel hook, grab bars)
- Medicine cabinet (recessed or wall-mounted)
- Towel warmer
- Ventilation fan
